

Consent Form

The Parent/Legal Guardian Agreement and Consent for Medical Treatment Agreement must be completed and signed before a player can participate in DarBlitz Hockey Clinic. This form will be retained by the clinic administrators during the program.

Parent/Legal Guardian Agreement

I, parent/legal guardian of the registrant, a minor, agree that the registrant and I will abide by the rules of DarBlitz Hockey Clinic. Recognizing that possibility of physical injury associated with sports and in consideration for DarBlitz Hockey Clinic accepting the registrant for its hockey clinic and activities, I hereby release and discharge DarBlitz Hockey Clinic, their instructors and associated personnel including the owners of the facilities utilized for the clinic, against any claims by or on behalf of the registrant as a result of the registrant's participation in the clinic.

Parent/Legal Guardian (Print Name)

Signature

Date

Consent for Medical Treatment

As the parent/legal guardian of the registrant in the DarBlitz Hockey Clinic, I hereby give my consent for emergency medical care prescribed by a Emergency Trained Technician. This care may be given under whatever conditions are necessary to preserve the life, limb or well being of my dependent.

Parent/Legal Guardian Signature

Date

If the Consent for Medical Treatment part of this form is not signed by a parent/legal guardian, they must accompany the player to and from the clinic and remain in proximity to player during the clinic.

Protection Gear and Equipment

Participants must wear all protective gear and equipment as required for play in the Minnesota Hockey league. Please complete and sign both the Parent/Legal Guardian Agreement and the Consent for Medical Treatment.

DarBlitz Hockey Clinic

The DarBlitz Hockey Clinic has been developing hockey players since 1991. We are committed to improving the skill level of every player involved in our clinic.

The DarBlitz Hockey Clinic staff has worked hard to create a clinic that emphasizes skills and speed development. The player will participate in drills developed to increase their skating ability. They will also work on stickhandling and shooting drills to improve their overall accuracy. We will concentrate on skating, puckhandling, passing and shooting while increasing the speed overall in all their movements. Our players will see themselves become better hockey players.

Goaltenders: There will be a goaltending instructor on the ice to help teach proper goaltending techniques. The goaltenders will receive a minimum of 30 minutes of shooting per session.

Hockey is a game of speed.

The DarBlitz Hockey Clinic teaches skating skills to maximize performance at top speed. In order to successfully compete at any level, players need to perform at top speed with and without the puck. DarBlitz Hockey Clinic emphasizes speed in all drills. We push each player out of their "comfort zone" to the next level. DarBlitz Hockey Clinic will give each player the focused, intensive training that is essential for improvement. Over the 7-week session, the player's self-confidence will grow along with improved skating and stickhandling skills. DarBlitz Hockey Clinic instructors strive to make players the best that they can be. Their success is our reward.
