EAGAN HOCKEY ASSOCIATION MISSION STATEMENT

The Eagan Hockey Association (EHA) is a non-profit organization dedicated to providing a fun and educational experience for the children of Eagan who wish to play ice hockey in accordance with our Minnesota Hockey affiliate agreement. Our programs are planned, promoted, and administered by unpaid volunteers. Our curriculum stresses basic skills, encourages team play, sportsmanship, and strives for fair playing time for all players. The individuals who teach this curriculum, in most cases, have completed one or more courses in the United States Amateur Hockey Coaches Certification Program (CEP). EHA's coaches and Board of Directors, through such things as our Code of Conduct, are committed to teaching players to respect their teammates, coaches, opponents and officials.

EHA welcomes and encourages participation by its members. Half of our Board members are (re)elected annually by popular vote. The Board of Director's monthly meetings are open to the public. The time and place of these meetings are posted on our website; www.eaganhockey.com , and published in our newsletter, THE WILDCAT TIMES. We invite you to attend meetings, express your thoughts and concerns, and most important of all, volunteer to support our programs. If you are interested, please contact an officer or director.

CODES OF CONDUCT, RIGHTS, AND RESPONSIBILITIES

Participation in the Eagan Hockey Association is a privilege. As such, The EHA Board of Directors has adopted a PLAYER, COACH and PARENT Code of Conduct that provides the basis for conduct and discipline during our association's hockey season, the season is defined as the first day of registration through April 1st. The actions of a coach, participant and/or their parent(s)/guardian(s) may cause privileges to be revoked.

Sportsmanship is the responsibility of everyone involved in EHA activities, including all elected and appointed EHA officials, coaches, referees, parents, fans and players. It is vital that EHA strive to create and maintain a positive environment for coaches, players and fans, both on and off the ice. The guidelines listed in the following section are designed to provide this positive environment.

Annual Sportsmanship Award

Each year, one player from each traveling team will be selected to receive the Sportsmanship Award. The coaching staff and managers from their respective teams will select one player who best represents **THE IDEALS OF SPORTSMANSHIP** as it relates to respect for teammates, coaches, opponents, officials and the integrity of the game of hockey. That player will be recognized with their name on the plaque that is displayed in the trophy case for each traveling team.

Although the system devised by the EHA is designed to follow a policy of progressive discipline for non-serious and non-habitual offenses, significant sanctions must be available to deal with serious and repeated incidents. The guidelines outlined in the following sections support Minnesota Hockey's and USA Hockey's core values of:

- SPORTSMANSHIP
- RESPECT
- INTEGRITY
- PURSUIT OF EXCELLENCE
- ENJOYMENT
- LOYALTY
- TEAMWORK
-

The attributes to be followed are from the USA Hockey Zero Tolerance criteria used for players, parents and coaches on and off the ice. Examples of non-compliance with the Codes of Conduct are:

- Visually demonstrating any sign of dissatisfaction with any game or team official in a manner that openly embarrasses the official(s) and/or challenges his or her judgment.
- Use of profane, obscene, abusive or vulgar language, gestures, racial/ethnic slurs including swearing, in a boisterous manner at ANYONE at ANY time, on the ice or anywhere in the rink before, during and after a game or practice.
- During stoppage of a game, intentionally knocking, throwing or shooting the puck out of reach of an official who is retrieving it.
- Deliberate throwing of a stick, garbage or other equipment into the players' boxes, spectators viewing area, penalty box, or on-ice surface, that in ANY manner creates a safety hazard.
- Interference in any nonphysical manner with any Game Official including other Players, Referees, Coaches, Timekeepers, other Parents, or Goal Judges in the performance of their duties.
- Touching or holding the referee, Linesman or any other Game Official with his/her hand or stick.
- Deliberately inflicting physical harm to any Game Official, Player and/or parent in ANY manner or attempts to do so.
- Behavior in ANY manner that is materially detrimental to the game, including spitting at opponents and/or spectators, Game Officials or verbally threatening a Game Official with physical harm.
- Taunting Players, Coaches, Officials or other spectators by mean of baiting, ridiculing, threatening physical violence, or physical violence.

EVERY member is required to follow the guidelines for conduct and other policies defined by the EHA. If a violation does occur, procedures relevant to 1st, 2nd and/or 3rd offenses are followed. These procedures are listed for Coaches, Players, and Parents/Members. **This is not intended to be a complete list of violations. Based on the seriousness of the offense, the EHA Conduct Review Board and EHA Board of Directors hold the right to take further action.**

APPEALS

All individuals have the right to appeal the decision or penalties assessed by the EHA Conduct Review Board by following the Grievance Procedure. In the event the individual decides to appeal the decision of the EHA Conduct Review Board, assessed penalties in accordance with the policies described herein will remain in effect subject to the outcome of the Grievance Procedure/Process.

It is EHA's intent to have the Parent's and Player's Code of Conduct and Responsibilities communicated to all levels, with emphasis on 12&U, 14&U, Pee Wees, Bantams, 16&U and Junior Gold. The EHA will require coaches, parents and players to sign statements that they understand that their eligibility to participate in EHA activities is governed by the Code of Conduct and Responsibilities as well as other policies outlined in this handbook and those policies which are developed by the EHA Board of Directors throughout the season. Violations of these rules and policies may result in loss of playing time and/or suspension from EHA.

Background Checks

USA Hockey and Minnesota Hockey have instituted a background check process to be conducted on all Board members, coaches and other volunteers who have any contact with players. The Minnesota Bureau of Criminal Apprehension (BCA) performs the background check under Minnesota Statutes Chapter 299C. Should you have any questions regarding this process, please contact an EHA Board member.

A fee of \$70 (non-refundable) must be paid at the time of registration for all players who wish to try-out for one of the **12U Girls traveling teams**.

A fee of \$70 (non-refundable) must be paid at the time of registration for all players who wish to try-out for one of the **10U Girls traveling teams**.

FUNDRAISER PARTICIPATION

All EHA Players (except 19U, Junior Gold and 16U) **MUST** participate in the annual EHA Fundraiser. See page 30 for details.

REGISTRATION FEE BALANCE

Registration fee balances are due in total by November 15, 2008. Payments made after November 15th will be subject to a \$25 late fee. Failure to settle the account with the EHA Treasurer or to seek an alternative payment schedule will result in the player not being allowed to participate in practices, scrimmages, games, and tournaments.

WAIVER POLICY

The EHA waiver policy is intended to align with Minnesota Hockey's philosophy of a community-based amateur hockey program. Players are to participate on teams from the community of their school attendance or parent(s) or legal guardian(s) residence based on Minnesota Hockey's membership policy. EHA strongly supports this philosophy. As such, the EHA policy is to deny all waivers to another association with the exception of 2nd year Bantams and 14U players who have transferred to public high school outside of the Eagan High School attendance area within the guidelines of the Minnesota State High School League transfer rule. Waivers from another association are only accepted for residents of the City of Eagan. Requests for a waiver must be submitted in writing to the EHA President prior to the beginning of tryouts. The EHA President, in consultation with District 8, will decide all waivers. Once tryouts begin, all waivers, regardless of the circumstances, will be denied.

REFUND POLICIES AND PAST DUE ACCOUNTS

REFUND POLICIES

Try-out Refunds

There will be no refunds for tryouts once the tryouts have started.

Season Refunds (“A”, “B”, or “C” Traveling)

All refunds are subject to a cancellation fee if issued before the season starts. Once the hockey season begins, there will be no refunds. The start of the season for refund purposes is defined as the first day of registration.

The only exception will be for verified medical reasons or if a player makes the Eagan High School team (see page 22). Injury/Medical refunds will be pro-rated based on the expended ice time and fixed costs incurred up to the time of termination. Players will qualify for the refund if their injury or medical condition causes them to miss six or more weeks of the current season. Requests for Injury/Medical refunds must be submitted to the Treasurer in writing for consideration.

PAST DUE ACCOUNTS

Any member, or immediate family of a member, who:

1. Has any amount past due or owing to the EHA, or
2. Has more than once remitted a check, share draft, or other payment instrument to the EHA which was returned because of insufficient funds, or
3. Has remitted a check, share draft, or other payment instrument drawn upon a closed account;

shall be required to pay all past due amounts and all fees and other charges for the upcoming season in full at the time of registration. Payment must be by cash, certified check, cashier’s check, credit card, or money order. No member, or immediate family of a member, will be deemed registered prior to full payment of all such amounts, and will not be permitted to attend tryouts, obtain equipment or clothing, or be assigned to any EHA team.

EHA HARDSHIP POLICY

The EHA recognizes that due to various kinds of hardships it may be difficult in a given year for individuals to pay all or part of their registration fees within timetables stated. Therefore, EHA provides for the following:

Payment Plans

EHA will consider a written request for payment of the registration fee in installments. The installments should be scheduled to ensure that a player pays for the ice and other charges incurred up to the due dates. Registration fees must be paid in full by March 15th of the current hockey season. These arrangements must be approved in writing by the EHA President and Treasurer.

Matching Grants

The EHA Board of Directors will consider written requests for waiving part or the entire registration fee from any members who have secured grants to cover hockey registration fees from local Social Services agencies or similar organizations. In particular, EHA will consider waiving an amount equal to any such grant a member secures but not to exceed one-half the amount of the respective child's registration fee. The arrangements must be approved in writing by the EHA President and Treasurer.

Scholarships

The scholarship fund is funded by the EHA for the purpose of aiding families with hardships. The fund will be available to needy players who request financial assistance in order to participate in hockey. To apply, a written request must be submitted to the EHA Treasurer. Each request will be reviewed and discussed by the executive officers of the Board. A written response with the results of the decision will be mailed to the requesting families.

Family Catastrophe

The Board of Directors reserves the right to suspend all of the above requirements to the fees of any member in the event that a catastrophe befalls a person or persons, e.g.; the death of a parent of a player during the course of the season.

Write-offs

The EHA President in consultation with the Treasurer may approve write-offs of past due fees.

“A”/“B”/“C” TRAVELING PROGRAMS

“A”/ “B” traveling hockey is designed for players with above average skill levels to participate in a more competitive environment. Players are selected for traveling teams through a tryout process based on the EHA approved policy described in this handbook. The EHA has “A”/“B” traveling teams at the Squirt, Pee Wee, Bantam, 10 & under girls, 12 & under girls, 14 & under girls, 16 & under boys, and Jr. Gold levels. The number of teams at each level is at the discretion of the Board. All players in these age groups are eligible to tryout for an “A”/ “B” traveling team. A tryout fee will be assessed to all tryout participants.

KEY POINTS

“A”/“B” traveling hockey programs require an increased commitment from both players and parents. One may expect a minimum of two or three practices, and one or two games per week throughout the season. The EHA suggests that you discuss this subject with other parents/players who have experience with “A”/“B” traveling hockey.

“C” traveling and “Squirt Wildcat League” are for players who do not make the “A”/“B” teams or choose not to try out. The commitment for the “C” team and “Squirt Wildcat League” is only slightly less than that of the “A”/“B” teams.

Players may experience the opportunity to test their skills against players throughout Minnesota, players from outside the state, and players from Canada. It is assumed that traveling teams Squirt level and above will participate in out-of-town tournaments that may require overnight travel and lodging.

Player’s participation on “A” or “B” teams may incur a higher registration fee than those participating on “C” traveling and “Squirt Wildcat League” teams. Other costs may arise due to additional ice time being purchased for practice, scrimmages, and tournaments for Girls 12 & Under, Pee Wees, and above. Coaches, team managers, and parents will discuss these additional team expenditures.

Players are strongly discouraged from participation on teams outside EHA/Minnesota Hockey during the winter hockey season. Should scheduling conflicts result from such participation, the player must participate with his/her EHA team. Failure to do so will be considered a violation of the Player’s Code of Conduct. Coaches must obtain EHA Board approval prior to scheduling any league game, scrimmage, or other on-ice activities with teams/players not registered with MINNESOTA HOCKEY.

All teams must obtain approval of the District 8 Director prior to participating in tournaments not sanctioned by MINNESOTA HOCKEY. This includes all tournaments hosted in Wisconsin.

- Total number of registered goalies per level
- Outside evaluator ratings
- Coach ratings

The Tryout Committee will adhere to the following rules when placing goalies on teams.

Eagan Hockey Association
2009-2010 Handbook

Bantams and Pee Wees

- The top rated goalie at each level will be assigned to the “A” team
- The “A” coach may pick a second goalie if he/she wishes and if the Tryout Committee deems it okay; or if the Tryout Committee directs him/her to do so. The second “A” goalie, if any, will be chosen by the “A” coach from goalies rated 2nd or 3rd at each respective level.
- The 2nd or 3rd rated goalie not chosen for the “A” team is automatically placed on the “B1” team.
- The “B1” coach selects either the 4th or 5th ranked goalie to fill out the “B1” team.
- The 4th or 5th ranked goalie not selected from “B1” is placed on the “B2” team.
- Successive selections for “B2” teams are made by adding the next highest ranked goalie to the pool.

Girls 14 & Under, Girls 12 & Under, Girls 10 & Under and Squirts

- The top rated goalie at each level will be assigned to the “A” team at his/her level.
- The “A” coach may pick a second goalie if he/she wishes and if the Tryout Committee deems it okay; or if the Tryout Committee directs him/her to do so. The second “A” goalie, if any, will be chosen by the “A” coach from goalies rated 2nd or 3rd at each respective level.
- The 2nd or 3rd rated goalie, which is not chosen for the “A” team, is automatically assigned to the “B” team. If there are two “B” teams, the next highest rated goalie will be assigned to the other “B” team.
- The “B” coach(es) may pick a second goalie if he/she wishes and if the Tryout Committee deems it okay; or if the Tryout Committee directs him/her to. The second goalie for the “B” team(s), if any, must be rated 6 or better at their respective level.

At the Squirt, Pee Wee and Bantam levels, all goalies that try out and are selected for an “A” or “B” team must play goalie throughout the season. At the Girls level, goalies may skate out when not playing goalie.

Hockey Operations, in consultation with the Tryout Committee, may refuse to assign a second goalie to any team if the overall number of goalies is insufficient.

JUNIOR GOLD / 16U

The Junior Gold/ 16U program within EHA is designed to offer high school aged boy hockey players the opportunity to play hockey at various levels of play, and continue to develop their skills. It is the intention of EHA to have a team at the Junior Gold ‘A’ level each year. The number of teams at the Junior Gold ‘B’ and 16U level will be subject to change based on the number of players and the skill level of the players. While it is EHA’s interest to place all eligible players on a roster, EHA cannot guarantee placement of all players, depending on the number of players registered. EHA will attempt to coordinate with other associations to balance rosters or find alternative opportunities. The evaluation and team selection will be held in November, after the conclusion of the Eagan High School tryouts.

Notification of the tryouts will be made by the Level Coordinator and posted on the EHA website. Evaluations will be conducted by the coaches, with possible input from non-parent evaluators and guidance from the Tryout Committee.

1. Registration: Registration will be accepted during the EHA mass registration time, up to the beginning of the second day of evaluations. Late registration will be accepted, but not guarantee roster placement. Late registrants will receive lower priority for roster placement.

2. Team Placement: Team placement of the players will be consistent with the recommendations outlined by Minnesota Hockey and the Metro Hockey League. Based on the evaluations, the Jr. Gold A team will be rostered with the top level players, regardless of 16&U eligibility. The roster will be capped to 17 skaters and 2 goalies. The Jr. Gold B team will be rostered with the balance of non-16&U eligible players and the next level of evaluated players, as roster spots permit. The roster will be capped to 17 skaters and 2 goalies. The 16&U team will be rostered with the balance of eligible registrants.

Eagan Hockey Association 2009-2010 Handbook

In the event there are not enough players to fill three or more rosters, team placement will default to the following contingency; Jr. Gold A, followed by 16&U, omitting the Jr. Gold B team. Jr. Gold A roster priority will be given to those players' non-16&U eligible and exhibiting reasonable skill as determined by the evaluators. 16&U roster priority will be given to those players 16&U eligible and exhibiting reasonable skill as determined by the evaluators. The balance of any player not receiving roster placement will be granted permission to play outside of EHA with assistance from EHA. Rosters may be expanded to a maximum of 20 players at the discretion of the head coach.

EHA GUIDELINES FOR TEAM SELECTION

These guidelines have been established to help facilitate communication between the coaches and the players involved in the tryout and team formation process.

- Coaches at the "A" and "B" level who choose not to select a player from the prior year roster at the same level causing that player to drop a level must communicate directly to the affected player and parents their reasons for doing so immediately following tryouts.**

** This does not apply if there was only one team at the playing level the previous year.**

INABILITY TO TRYOUT

Medical Absence

Players who are unable to tryout because of health or medical reasons must notify Hockey Operations in writing before tryouts begin. If a player is unable to finish tryouts, he or she must contact the appropriate coordinator and Hockey Operations immediately.

A player must verify his or her medical problems in writing. The Tryout committee will review each player's case and decide on a placement for the player. The committee's decision will be based on:

1. Past playing level and demonstrated abilities of the player.
2. Interviews and/or letters from past coaches.
3. Severity of injury/sickness, and availability to return to play.

If time permits, the committee's decision will be forwarded to the Board of Directors for their approval by a Majority vote. Otherwise, the Tryout Committee's decision will stand.

Non Medical Absence

EHA will attempt to accommodate legitimate scheduling conflicts providing that the Tryout Committee Chairperson* receives written notification 72 hours prior to the first scheduled session.

EHA will review the options with the affected parties (player & parents). The player and parents will ultimately Select the option that best meets their interests.

PLAYER MOVEMENTS AFTER TRYOUTS

1. Should a player decide not to play on the "A" or "B" team for which he or she is selected, he/she must play on a "C" team of the level at which he/she tried out.

Eagan Hockey Association
2009-2010 Handbook

2. A player, who, because of the location of his or her residence, is eligible to play in another association and elects to tryout with EHA, relinquishes his or her right to a waiver from EHA to play in another association.
3. Players eligible to play at two age levels due to birth date and “peer grade” criteria must select one level in which to tryout. Once a player elects to tryout at a one of those levels the player relinquishes their right to play at the other eligible level for the season associated with the tryout.
4. Bantam/High School Move-up Policy: The high school coach can select as many players as needed. The “A” Bantam coach, in conjunction with Hockey Operations, may replace as many players as deemed necessary up to the amount taken. These players will be taken from the “B1” Bantam team. The “B1” Bantam coach, in conjunction with Hockey Operations, may exercise the option to replace players by selecting players from the Bantam “B2” team provided the Bantam Coordinator and Hockey Operations feel it is not detrimental to the “B2” program. The Bantam “B2” coach in conjunction with Hockey Operations may also exercise the option to replace players by selecting players from the Bantam “C” team or teams, provided the Bantam Coordinator and Hockey Operations feel it is not detrimental to the “C” program.
5. Refund Policy – Bantam/High School Move-up Policy: Parents can request a refund in writing to the EHA Treasurer if their son/daughter moves to the Eagan High School level. The refund request will be reviewed by the Officers of the EHA Board and if granted, will be pro-rated from the beginning of the season to the last date played, including fixed costs.

Player movements for other reasons will be coordinated with coaches input by the appropriate level coordinator(s) and Hockey Operations (if “A” and/or “B” teams are affected).

PLAYER MOVEMENT BY AGE LEVEL

This policy governs the participation level for EHA hockey players. Minnesota Hockey establishes the maximum and suggested minimum age brackets for youth hockey.

The EHA strongly recommends that boys and girls play at the indicated age level. No player may participate at a level below his/her bracketed age group. All players must register at the appropriate age level. Requests to move up to a higher level must be submitted in writing to Hockey Operations and the appropriate level coordinator prior to the start of the tryout/evaluation process.

Traditionally, the EHA has had a strict policy of placing a player within their age appropriate level. The EHA has implemented a plan which gives consideration to moving up within our programs. For the player that is not eligible for the level of their “peer grade” per the birth date parameters, they will have the opportunity to play up a level should they choose. This affects young-aged players relative to their grade as follows:

Player not eligible(per birth date) for:	But Entering:
Mites	2 nd Grade
Squirts & Girls 10 & Under	4 th Grade
Pee Wees & Girls 12 & Under	6 th Grade
Bantams & Girls 14 & Under	8 th Grade
Junior Gold & Boys 16 & Under	10 th Grade

These players will have the opportunity to move-up a level, should they choose. Once they have chosen to tryout at that level, they will have to stay in the pool they have selected to tryout. However, a player electing this option will be allowed only two years at each level (Squirts through Bantams.) This policy is designed to socially help players in the younger levels and to better prepare the older players for High School age options by having the opportunity to play two years of Bantams before tenth grade. Exceptions to this rule may be made based on the number of players needed at a particular level.

If the player does not fall within the guidelines listed above for playing at the level with their “peer grade”, players may request move up from their current age level to the lowest level of the next age group provided it is consistent with the Board’s budget. *For example: Pee Wee aged players may only move up to the Bantam “C” level.*

Eagan Hockey Association
2009-2010 Handbook

Mite age players who elect to exercise this option must be 8 years old as of July 1 of the sign-up year. The same player must have played one year at the Mite 2/3 level to move up to the Squirt level. Players desiring to move up must notify the Squirt Level Coordinator and Hockey Operations in writing prior to October 1st. Mite moveups will be given priority by age.

The Tryout Committee reserves the right to regulate the number of players and teams at all levels and oversee the movement of players. This may mean suspension of all or some player movement in a given budget year. EHA will consider all requests with the players' physical and emotional well being first and foremost. All considerations for moving up will be made by Hockey Operations, in consultation with the level coordinator.

All teams will be constructed in accordance with the appropriate procedure outlined above. Also, the Board reserves the right to conduct tryouts without outside raters if the number of players is, in its judgment, too small to justify the expense. In this case, the Tryout Committee, with approval from the Board, will arrange a system by which players will be rated.

TRYOUT INQUIRIES

Parents with questions (other than overall rating score) concerning tryouts should submit them in written form to the EHA Board of Directors or contact the committee through our website.

Send written inquiries to:

EHA Tryout Committee

The committee will attempt to respond to inquiries within 30 days.

Box 21214, Eagan, MN 55121-0481.

COACH SELECTION COMMITTEE

The coach selection and appointment process is managed by the Coach Selection Committee through the beginning of the season which is defined as beginning on the first day of registration. The committee is comprised of five members and the respective Eagan High School Girls and Boys hockey coach. The level coordinator chairs the committee at each level, unless the level coordinator is a head coaching candidate at their respective level. In that case, the Board will appoint an alternate chair. The committee meets as necessary throughout the summer. Responsibilities include:

1. Recommendation of coach reappointments as defined in Coach Selection section.
2. Identify/recruiting qualified coaching candidates.
3. Reviewing qualifications of prospective coaches.
4. Respectful consideration and ranking of candidates.
5. Recommendation of head coaches.
6. Partnering assistant coaches with head coaches.
7. Recommending and engaging specialty coaches.

PROCESS FOR FORMING THE COACH SELECTION COMMITTEE

1. Hockey Operations invites two members of the previous year's committee to serve again.
2. Hockey Operations (if new) must invite the previous year's Hockey Operations first.
3. Hockey Operations will present a list of at least five names to the Board to fill out the committee. The Board will vote for and appoint committee members with the goal being a committee makeup of Hockey Operations, High School coaches, two Board members, and two members at large.
4. Members of this committee will not take part in the selection process if he/she is considering or being considered for a position at the same age level (i.e. Squirts, 10U, Pee Wee, etc.). An alternate may be assigned to fill this spot on the Selection Committee.

Hockey Operations will present this committee to the full board for approval.

COACH SELECTION

The committee may run advertisements for coaching candidates in the newsletter, local papers, and hockey journals/newspapers as appropriate. Prospective coaches will submit a letter of application to Hockey Operations. The Selection Committee will review each candidate's application and conduct a formal interview. The committee will consider hockey playing experience, hockey coaching experience, other sport coaching experience, coaching philosophy, communication skills, past coach evaluations, support of EHA principles, and overall contribution and dedication to youth hockey in Eagan. Upon completion of all interviews, the Selection Committee will present its recommendations to the Board of Directors for final approval. A simple majority vote will be required to approve the committee's recommendations. The Selection Committee will present the rationale for their recommendations prior to this vote. The board and the committee make every effort to fill A and B level coaching positions as early as possible. Non-parent head coaches are preferred, if other factors are equal.

Coaching positions are open every year—coaches are selected for one-year commitments. However, the EHA board recognizes that having a strong coach in the same position or another coaching role within EHA from season to season is a significant strength to the program. A returning coach may be asked to continue in their role if they:

1. Wish to continue in the same position, and
2. Are unopposed for the position, and
3. The previous season's Selection Committee has reviewed the survey feedback and performance assessment by players, parents, and Hockey Operations.
4. The Selection Committee can recommend reappointment to the EHA board. The EHA board has final approval on coach reappointment.

In addition to facilitating and participating in the coaches' selection process, the Coach Selection Committee is responsible for conducting a mid-season and post-season feedback survey of coaches and players. The feedback will be used to provide constructive feedback to coaches. The Coach Selection Committee will:

1. Give the survey forms to Level Coordinators for distribution to team managers for distribution to parents. Parents will complete the forms and mail the postage paid postcard to Hockey Operations. Team Managers and/or Level Coordinators need to ensure that forms are completed and returned in a timely manner.
2. Review the forms and consolidate the feedback of forms into major feedback themes for the coach—parent input comments will be handled in a confidential manner.
3. Meet with each coach to discuss the feedback outlining recognized strengths and areas for improvement.

Current coaches must notify the respective level coordinator and Hockey Operations of their intent to be reappointed in writing by April 1st.

DEVELOPMENTAL HOCKEY

Developmental ages include mite, U8, squirts and U10. The coach selection committee for these ages may consider a returning or new candidate as the top candidate per the guidelines outlined above. The committee shall grant the top candidate the choice of coaching any team at the designated age group. In the event the top candidate does not choose to coach the A team (if it exists at the designated level), the next ranked candidate will then be given the opportunity to choose and so on. The candidate, if a parent coach, must have a player eligible to be picked at the designated level.

Eligible player ranking is outlined in the tryout section of this handbook.

COACHES COMMITTEE MEETINGS

All rostered coaches and regular specialty coaches are considered members of the Eagan Hockey Association. They are also members of the EHA Coaches Association, which has been established exclusively for coaches. The coaches committee schedules several meetings during the season. All coaches are encouraged to attend. Some topics to be covered include: hands-on plyometrics training, skating fundamentals, building player self-esteem, and communication with players and parents.

COACHES CLINICS

Eagan Hockey Association conducts clinics to support our coaches each season. Coaches also are expected to attend USA Hockey Coaches Clinics. Our goal is to fully support and to continuously improve the overall quality of our coaches. During the season, the following coaches' clinics are planned:

Coaches Symposium	TBD
EHS Systems and Terminology	October/November

THE TEAM MANAGER

As a team manager, you are involved with the team in many different and fun ways. The manager is the team administrator, coordinator, and bookkeeper. You will be the team's central point of communication. This is a great way to get involved with your child's team as well as with the game of hockey.

DUTIES:

Coordination: Equipment needs, scrimmages, referees, tournaments, team meetings, and additional practices if necessary. Monthly hockey events calendar developed and distributed.

Budget: Establish and administer budgets that are agreed upon by the parents and coaches. Provide team financial statements as necessary.

Scheduling: Aside from EHA provided practices and games, you will be responsible for the scheduling of all additional team events.

Communication: You will be the team's liaison between players, parents, coaches, EHA, tournament officials, and others. You will provide press releases for the Eagan Sun Current, Eagan This Week, Let's Play Hockey, the EHA Wildcat Times, and the Eagan Hockey website at www.EaganHockey.com.

Administration: Forms, documents, and rosters as may be required by District 8, EHA, or tournament officials.

Tournaments: Contact the Tournament Director for details on assigned tournaments and communicate all information to your team. Tournament fees were included in each player's registration fee.

Equipment: The manager is responsible for returning the equipment, jerseys, and any other items supplied by EHA, including team roster books.

Volunteer Recruiting: Recruiting a team fundraiser representative and team booster club representative from other team parents.

Attend a meeting after teams are formed run by the Registration coordinator to review duties and responsibilities.

The EHA seeks greater parental involvement. The team manager position is a great way to participate in your son's or daughter's hockey experience. If you would like to be a team manager or to participate with your hockey association in any other capacity, please contact any Director for further information.

EHA FUNDRAISER

OBJECTIVE

The EHA will set the fundraising goal each season based on the Association's goals for the year. As part of the budgeting process, fees and other expenses will come into discussion regarding the fundraising goal specific amount. It is the intention of the Board to use the projected revenues to continue subsidizing the costs of ice time while maintaining reasonable and competitive registration fees.

Each team must have a fundraiser representative.

EVENT

EHA will select an appropriate fundraising event on an annual basis in accordance with the fundraising goal. Details of the event will be made available to the fundraiser representatives prior to the start of the fundraising event.

KEY POINTS

1. Fundraiser participation is MANDATORY for all players (except Junior Gold)
2. Key dates and additional information will be distributed by the team fundraising representatives, published in the newsletter and on the EHA website.
3. A family may elect to "buy-out" of the fundraiser for a cash payment if that option is available with the current year fundraiser. Some fundraising events may not allow for a buy-out option.
4. The maximum family participation requirement is two sellers or volunteers meeting the age requirements.
5. Bantams and 14U girls may elect to volunteer 12 hours with the Mite/Mini-Mite, Squirt, and 10U teams. They may also be asked to assist at other EHA functions such as tournaments or other activities, or at other levels as needed. Bantams and 14U girls must notify the Fundraising Coordinator in writing of their intent to volunteer their time either at registration time or prior to the Fundraising roll-out timeframe, otherwise it will be assumed they are participating in the fundraiser.
6. Any player who chooses the volunteer option must complete their hours by the end of March in the current season. If the hours are not completed, the player will be billed an hourly rate comparable to the amount expected per family to fundraise or the buy-out amount for that season.
7. Bantams and 14U girls always have the option of participating in the fundraiser in lieu of volunteering. If applicable, the fundraiser may provide an advantage to the Bantam aged players for participation as opposed to volunteering time.
8. Your Association strongly encourages 100% participation and support from all parents as this event enables EHA to keep registration costs reasonable while still providing adequate ice time

TEAM FUNDRAISER REPRESENTATIVE

The Team Fundraiser Representative has the following responsibilities; organize team rosters, attend the team fundraiser representative meeting, organize and present the fundraiser and incentive program at a team meeting, collect and turn in order forms for the team, and collect/turn-in monies earned by players on the team. Above all, this individual should encourage maximum participation by the team. The Association discourages buy-outs.

If you have an interest in becoming a Fundraiser Representative or have any additional questions regarding this event, please contact the EHA Fundraiser Coordinator.

EQUIPMENT REQUIREMENTS & RETURNABLE JERSEYS

The Hockey Equipment Certification Council (H.E.C.C.) is an independent organization responsible for the development, evaluation, and testing of performance standards for protective ice hockey equipment. To date, it has established standards for face masks, helmets, and skate blades:

Skates: All players and on-ice officials must wear skates of a design approved by the H.E.C.C. Committee. All skates worn by players (but not goalkeepers) shall be equipped with approved safety heel tips. It is recommended that all players (except goalkeepers) and on-ice officials wear skates with blades that have been approved by the H.E.C.C. The use of speed skates, figure skates or any skate so designed that it may cause injury is prohibited.

Protective Equipment: Each player is responsible for wearing protective equipment for all games, warm-ups, and practices. Such equipment should include shin pads, shoulder pads, elbow pads, padded hockey pants, protective cup, gloves, plus all head protective equipment as required by USA Hockey rules. Protective equipment also applies for girls with the addition of a protective girdle. It is recommended that all protective equipment be designed specifically for ice hockey.

Mouthpiece: All players are required to wear an internal, non-clear mouthpiece which covers all of the remaining teeth of one jaw, customarily the upper. The mouthpiece should be attached to the face mask whenever possible.

Helmet: It is mandatory that all players wear an H.E.C.C. approved helmet with chin straps properly fastened. All players are required to wear a face mask certified by H.E.C.C., plus any chin protection that accompanies the mask. Any helmet or face mask that is altered shall be deemed illegal equipment and shall not be allowed to be used in a game, warm-up, or practice. This shall include helmets from which a part has been cut or removed, face masks from which the chin cup has been removed or any such alterations from the original manufacture specifications.

Goalkeeper Equipment: Goalkeepers are governed by the same rules and regulations concerning all players. However, some special equipment is worn by the goalkeeper. This equipment, which EHA will provide as needed, includes: blocker glove, catching glove, leg guards, chest, and abdominal and arm protector. Throat protection is recommended. Helmets and face mask are to be H.E.C.C. approved. It is recommended that full time goalies at the Pee Wee level and above wear goalie skates.

Notes:

1. All elbow pads which do not have soft protective outer covering of sponge rubber or similar material at least ½ inch thick shall be considered illegal equipment.
2. A glove from which part or the entire palm has been removed or cut to permit the use of the bare hand shall be considered illegal equipment.

All Eagan hockey players are strongly encouraged to wear Eagan Blue breezers and helmets.

Returnable Jerseys: In an effort to curb rising costs, EHA will issue returnable jerseys for all traveling teams. **THE JERSEY SUPPLIED IS THE PROPERTY OF EHA, AND MUST BE RETURNED.** EHA has the option of collecting a damage deposit for the jerseys distributed to players. The deposit will be determined each season. For the 2009-10 season, the deposit will be \$100. These jerseys are to be returned to the Team Manager following the final game of the season. The jerseys should be returned clean with any sponsor or player's name plaques removed from the jersey. A fee will be assessed for the ACTUAL cost of the jersey upon failure to return the jersey or for excessive damage (as determined by the EHA Equipment Coordinator). Damage includes permanent alterations or removal of labels. Failure to bring accounts current will prohibit a player from future competition.

The Eagan Hockey Association does not authorize the purchase of another jersey for games.

COACHES

All rostered EHA coaches who participate in activities on the ice are required by USA Hockey and Minnesota Hockey to wear an H.E.C.C approved helmet while on the ice. Failure to do so will be subject to a suspension from coaching.

EHA PENNANTS/BANNERS/PLAQUES

At the conclusion of each hockey season, EHA will place a banner/plaque in the Eagan Civic Arena recognizing teams that

meet the following criteria:

For Boys Pee Wee and above and Girls 12 & under and above;

Team finishes league play in 1st place; or

Team wins District Tournament or League Tournament; or

Team advances to State Regional Tournament or further.

Banner will display season (e.g. ½), team and level (e.g. Girls 12 & U A), and District/Regional State tournament achievement as applicable (e.g. District 8 Runner-Up, 3rd Place in Region).

EAGAN HOCKEY BOOSTER CLUB

The Eagan Hockey Booster Club is a non-profit organization. It was formed in the spring of 1990. The Booster Club operates independently, yet in support of the Eagan Hockey Association.

The Booster Club is designed to promote a positive image for our hockey program; both with the City of Eagan as well as throughout other communities. Our goal is to generate additional sources of revenue that can be used to further promote and encourage involvement in the hockey program throughout our community. Current examples of our efforts are: the annual Eagan Mite "Paw Power: Jamboree; the annual Mite Jamboree; the new trophy showcase in the city ice arena; hockey apparel, bags, jewelry, and miscellaneous items that show our colors and spirit; the annual golf tournament; the Thanksgiving Tournament and the Squirt Annual Tournament. To continue the progress made over the past years, the Booster Club needs the active participation of each family.

Anyone with a child participation in the Eagan Hockey Association is also a member of the Booster Club. There are many interesting and exciting opportunities for you to get involved with and your enthusiastic participation benefits each player and the overall organization. Each team is required to have an active Booster Club representative; and the efforts of the club are only made possible when each one of us volunteers and participates. Watch for meeting dates and times in the EHA "Wildcat Times" Newsletter, on the EHA website (www.eaganhockey.com) or contact one of the Booster Club officers. Get involved now and have fun making a difference for Eagan Hockey!

GRIEVANCE PROCEDURE

PROCEDURE

- a. In any civilized society, most problems are best solved through discussion. The grievance procedure begins with a discussion between the parties involved. Choose a neutral time and place; not during a game or team practice, or within earshot of the players.
- b. If the two parties are unable to reach a resolution, the Complainant must submit a written complaint stating the time, place, and as many specifics as possible, to the appropriate Level Coordinator. If the Coordinator is the subject of the grievance, the written complaint shall be submitted directly to the Vice President of the Association.
- c. As soon as possible, the Level Coordinator shall inform the Vice President that a complaint has been received. The Coordinator will talk with the involved parties, and conduct an investigation as necessary. If the Coordinator is unable to resolve the complaint within 72 hours, she/he must inform both parties (verbally, within 24 hours; and in writing within 5 days) that the complaint has been referred to the Vice President. (The Vice President, at his or her discretion, may bypass this step and directly take charge of the complaint and investigation.)
- d. The Vice president may attempt a resolution through discussion with the involved parties. If the complaint is not resolved within 72 hours, the Vice President will verbally notify both parties and the Grievance Committee of the need for a meeting. The Grievance Committee will strive to meet at a mutually convenient time and place for both parties within 10 days. But if this is not possible the Vice President will set the time and location.
- e. The Grievance Committee consists of the Vice President (Chairperson), the Secretary, the Level Coordinator and /or Hockey Operations, and two at large non-board members, all of whom are not directly involved in the complaint as coach administrator, or parents of the team(s) involved. The two at large members will be chosen by the committee Chairperson. Alternates for the Vice President and Secretary are the President, and any other available member who has no direct interest in the complaint. The Grievance Committee will discuss and decide the issues after the parties involved have been dismissed from the meeting. The Vice President will notify both parties of the Committee's decision verbally, within 24 hours, and by letter within 5 days. Copies of the letter also will be sent to all members of the Grievance Committee and to the Coordinator.

SANCTIONS

If the Grievance Committee decides in favor of the Complainant, the following sanctions may be invoked:

1. Official written reprimand.
2. Game suspension at the discretion of the Committee.
3. Immediate dismissal for the remainder of the season (with review at the end of the season).
4. Permanent dismissal from any EHA activity.

APPEALS

All individuals have the right to appeal the decision of the committee to the Board of Directors.
